

Julie cutting is public expense for and

Satellite to BBC 7/11/73

He looking behind her starts "If you perhaps opening
your heart - -- he cannot say more than he
has said -- eager to speak out but he can't..."

(What stops him?)

Doris: "you can take a certain ^{measure} ~~measure~~ of
pride that if the great ones are not feeling
concerned, they are being asked" - the country's
can't.

Julie asks how can he say more with not
having any other

How did he get known as tricky - Doris - she
does read but did not know he was so known.

"I know my father is unimpaired" - I believe his
statement" (after all the contradictions)

Lilly: "I don't like to see it with my father & his
political campaigns..." Not many like it in his 25 years.
He has run all his political campaigns based on this
one. David justifies Lilly as fight vs left
wing.

Julie's heart goes out to women who believe they
didn't mean wrong!
1912 "You would have known to look around any more"
"It would have been a great loss" the days of the last
Then just politics
